PASSPORT REGULATIONS.

1. Indian passports are issued in India by authorities in a State, and outside India by Indian Diplomatic and Consular officers and other Representatives, duly empowered in this behalf. Applications should be made in the prescribed form obtainable from these authorities.

2. Passports are available, in the first instance, for five years from the date of issue, unless otherwise stated. They may be renewed for a further maximum period of five years. Thereafter, or if at any time the passport contains no further space for visas, a new passport must be obtained. The fee for an Indian passport is Rs. 10/-, and the fee for renewal is Rs. 2/- for each year, or portion of a year, for which the passport is renewed.

3. Indian passports are granted to (a) Citizens of India, (b) Indians by Naturalization and (c) wives and widows of above.

4. Passports are granted upon the production of a declaration by the applicant (in the case of child under 15 requiring a separate passport, by the child's parent or guardian) in the prescribed form of application verified by a declaration made by a Magistrate, Justice of the Peace, Police Officer not below the rank of a Superintendent of Police or Notary Public resident in India. If possible the application should be signed by an officer of the District in which the applicant is resident, otherwise the issue of a passport may be delayed while enquiries are being made from the local authorities.

In the case of Indians abroad, the declaration should be verified by an Indian official, Resident Indian merchant, Banker, Minister of Religion, Barrister-at-Law, Solicitor, Physician, Surgeon or other responsible Indian citizen giving his/her professional or business address.

5. If the applicant for a passport has acquired Indian citizenship by registration an attested copy of the Certificate of Registration must be forwarded with the form of application to the officer empowered to grant the passport.

6. Small duplicate unmounted photographs (size approximately two and three quarter inches by two inches) of the applicant (and of wife, if to be included) must be forwarded with the application for a passport one of which must be certified on the back by the person verifying the declaration made in the application form.

7. In the case of an applicant for a passport being unable to sign his name in English, a transcription of his signature in English should be placed below the applicant's signature in an Indian language in the form of application.

8. The passport is only available for travel to the countries named on page 4 of the passport booklet, but may be endorsed for additional countries. The fee for each further endorsement is Re. 1/-. The possession of a passport so endorsed does not, however, exempt the holder from compliance with any immigration laws in force in a country, or from the necessity of obtaining a visa where required.

9. Passports endorsed as valid for the Commonwealth countries are also available for travelling to territories under British Protection or mandate, but not for the Aden Protectorate for which both an endorsement and a visa are required.

10. Passports cannot be issued or renewed on behalf of persons not residing at the time being in a country in which the application is made. Passports should not be sent out of the country by post.

11. It is most important that Indian citizens resident abroad should at the earliest opportunity register their names and addresses at the nearest Indian Embassy, Legation or Consulate or at the office of an Indian Representative. Changes of addresses and departures from the country should also be notified to them.

Failure to register may, at a time of emergency, result in difficulty or delay in Indian citizens being accorded the assistance and protection to which they are entitled.

FOOTNOTE.—Parda-nashin or gosha women desirous of travelling to Malaya, the East African territories of Uganda, Tanganyika, Mauritius, Zanzibar, the Nyasaland Protectorate, the Union of South Africa, Syria, Palestine, Iraq, Egypt, Saudi Arabia, Transjordan, Persia, Persian Gulf Ports, Aden, Burma and Afghanistan are exempted from the necessity of attaching their photographs to their applications for passports or of appearing in person before the passport issuing authorities. This rule is applicable in the case of women proceeding to Egypt provided they are accompanied by their husbands or any of their relatives who accept legal responsibility for them.

The Collector of S.Kanara has stated that the applicant is financially sound. He has also stated that the applicant has been awarded a scholarship by the Industries dept. Govt. of Madras tenable in the U.K. for study in ceramics, and as such he has not produced the guarantee of maintenance and repatriation.

2. The Collector of South Kanara is therefore requested to state whether the applicant is financially sound. If he is not financially sound the Collector is requested to obtain and forward a guarantee of maintenance and repatriation executed by a person ordinarily resident in India for Rs.10,000/- or to state whether the Scholarship awarded covers the entire expenses (including to and fro charges) in connection with his studies abroad and whether they will be met by the Government. The Collector of South Kanara is also requested to ascertain and report the countries which the applicant proposes to visit in Europe.

The notes of Home Deptt. on p.11 above may be perused. The file has been sent to this Deptt. with ref. to 'A' and 'X' on p.11 above.

'A' on p.11 above:-

Sri Murlidhar Manjeswar who has applied for a pass port to U.K. and all Countries in Europe is one of the candidates selected by this Govt. for the award of Scholarships for study of Ceramics from the Murphy Endowment Fund. The Scholarship is tenable for study only in U.K. A seat was offered to Sri Murlidhar Manjeswar in the North Staffordshire Technical College for the current session but it was not possible for him to avail of the offer owing to the short notice. On a representation from this Govt. through the High Commr. for India, in London the college authorites have informed that they are willing to consider Sri Murlidhar Manjeswar for admission next year provided they are assured of his arrival in U.K. in time for the commencement of the session viz in September 1953. The question of reservation of a seat for Sri Manjeswar for the next session is under correspondence with him.

'X' on p.11 above:-

The scholarship to be awarded in this case is of the value of £400 p.a. exclusive of college and University fees. It is not known whether this amount will cover the entire expenses of Sri Manjeswar in connection with his study abroad including to and fro charges.

With the above remarks the file may be returned to Home.

The scholarship to be awarded in this case to Sri Manjeswar does not seem to provide for his repatriation in case of any difficulty or trouble in U.K. It seems therefore desirable to obtain a financial guarantee in this case . The Collector of South Kanara may be asked to obtain and forward a Financial Guarantee if the applicant himself is not financially sound.
